

AYBA - Young 88 Association

Digital Calendars for Collaborative Planning

Mike Leyland
Young 88 Association
10th June 2024

Introduction

- AYBA has been successfully running an inter club sailing event planning process
- Annual process and collaborative meeting before the start of the season
- Works but not dynamic and suffers from “calenderitis”
- Many clubs already use digital calendars ie Google, Microsoft Outlook and other apps
- These apps can all “talk” to each other
- Idea...
 - Optional migration to digital and dynamic collaborative process

**AYBA and many Clubs and
Classes are already using
Digital Calendar to plan and
share events with their
members**

AYBA calendar has all events

Possible new process

- Keep the current spreadsheet process
- Add in new option for clubs/classes who use digital calendars
- AYBA admin email “invited” to relevant events
- Event title carries the relevant info
- Planning windows
 - Months 13-18 planned eg “Planned - NZMHYC Harbour Classic”
 - Months 7 – 12 proposed for confirmation eg “Proposed - NZMHYC Harbour Classic”
 - Months 1-6 agreed and locked – AYBA in control eg “NZMHYC Harbour Classic”
- Body of event to carry more info ie description, links to more
- Provides opportunity to “see” further ahead
- Allows events to be phased or amalgamated earlier club-club-class
- Only one point of entry vs double/triple entry

12/03 You're invited:

Hi shorthanded 88 racing fans,

You are officially invited to the totally unique and world famous in NZ 1-2-3 Series.

Comprising single handed harbour races, two handed w/l's (no extras) and three handed w/l's (with extras) - the 1-2-3 series is the ultimate test of mind, body and multi tasking skills! It is also great fun.

Racing is usually followed by an informal gathering in a bar or backwater somewhere and the 3 handed with a prize giving at hosts BBYC.

For any comments or questions contact Info@Young88.org.nz

See you on the water.

Cheers
